EVENT OVERVIEW

STRICTLY EMBARGOED 6PM TUESDAY 30 MAY, 2017

Queensland Music Festival: *The Didjeribone Show*

What do you get when you cross a trombone with a didgeridoo? Find out in the interactive and ingenious *The Didjeribone Show*, touring Queensland schools as part of Queensland Music Festival's (QMF) Youth Touring Program.

Internationally renowned musician Adrian Fabila Tjupurrula (aka Tjupurru) performs as a one-man band in *The Didjeribone Show*, playing live samples and looping them to create songs and soundscapes that criss-cross musical genres. Tjupurru will work with students of all year levels to create inventive songs and soundscapes using his didjeribone, and live sampling and looping electronic effects.

This unique music-making experience will see students blending the traditional with the contemporary to create new compositions that blend cultures, technologies and sounds.

The Didjeribone Show is presented by Queensland Music Festival and Didjeribone.
